Subject:-LLP settlement Scheme, 2020-reg.

Sir,

It has been almost over a decade since LLP Act came into being. The Limited Liability Partnership (LLP) is viewed as an alternative corporate business vehicle that provides the benefits of Limited Liability but allows its members the flexibility of organizing their internal structure as a partnership based on a mutually arrived agreement. Owing to flexibility in its structure and operation, the LLP often become the preferred option for small enterprises.

2. It has come to the notice of Government that a large number of LLPs have defaulted in filing Form (3) viz. LLP Agreement and changes therein and statutory return viz. Form-8- Statement of Account & Solvency (Annual or Interim) and Form-11- Annual Return of LLP. In the event of requisite forms not being filed within prescribed time presently LLPs may file such documents on payment of additional fee for one hundred rupees for every day of such delay under Section 69 of the LLP Act in addition to any fee as is payable for filing of such document or return.

3. A large number of representations were received from various quarters for waiver of fee or condonation of delay and relaxations in additional fee on the ground of excessive financial burden.

4. It is also noted that a large number of LLPs are not filing their due statutory documents (i.e. Information with regard to LLP agreement and changes etc., Notice of Appointment of Partner/ Designate Partner etc. and other Annual filing documents i.e. Statement of Account & Solvency and Annual Returns) in a timely manner with the Registrar. Form 3 is filed for filing Information with regard to LLP agreement and changes, if any made therein and Form-4 is for filing Notice of Appointment of Partner/ Designated Partner, his consent etc. which are required to be filed with the prescribed fee.

5. Due to this, the records available in the electronic registry are not updated and they are not available to the stakeholders for inspection. Further, due to not filing the required documents on time the LLPs and their designated partners are liable for criminal prosecution and the said LLPs cannot be closed till all compliances are completed.

6. As part of Government's constant efforts to promote ease of doing business it has been decided to give a Onetime relaxation in additional fees to the defaulting LLPs to make good their default by filing pending documents and to serve as a compliant LLP in future.

7. The Central Government in exercise of its power u/s 460 of the Companies Act, 2013 (extended to LLPs vide Gazette Notification No. G.S.R. 59(E) Dated 30th January, 2020 u/s 67 (2) of the Limited Liability Partnership Act, 2008) has decided to introduce a scheme namely "LLP Settlement Scheme, 2020", by allowing a One-time condonation of delay in filing statutorily required documents with the Registrar.
